1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

The answer to the riddle is... the future! ??

Explanation: The future is always in front of us because it's the direction we're heading towards, but we can't actually see it. It's like trying to see through a brick wall or finding your keys in the Bermuda Triangle! ????? So, keep smiling and embrace the mystery of what lies ahead, because adventures await! ???
