

What can travel around the world while staying in a corner?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

A stamp! ??

Explanation: A stamp can travel around the world on letters and packages, yet it always stays in the corner of the envelope or package. It's like a little world explorer, but with a permanent spot. Plus, it's gotta be pretty sticky to hold on tight! ??
