

What can be cracked, made, told, and played?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

A joke! ?

Explanation: The answer to the riddle is a joke because jokes can be cracked (as in "cracking a joke"), made (as in creating a joke), told (as in sharing a joke with others), and played (as in playing a funny joke on someone). Adding a touch of humor to the explanation with an emoji amplifies the cheerful and creative style.
