

What has an end but no beginning?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

The answer to the riddle is: A ?JOKE! ?

Explanation: A joke is something that has an end, as it comes to a punchline or a funny conclusion, but it doesn't necessarily have a clear beginning. Jokes often start with a setup, but there's no distinct starting point like a story or an event. Plus, the best part is that jokes always bring laughter and joy, making them a perfect answer! ??
