The ruler! ? Because it measures up to be the absolute ruler of the classroom! ?
Plus, it's always ready to lay down the law when it comes to straight lines and perfect angles. No other school supply can quite measure up to its regal status! ???

Explanation: This answer plays with the double meaning of "king" in the question, incorporating the ruler (the measuring tool) as the humorous king of the classroom. The use of emojis adds a playful touch to the response, emphasizing the ruler's authority and importance in maintaining order and precision in the classroom.
