Understanding Communication Skills and Technics

The Impact of Technology on Communication in Parent-Child Relationships ????

In conclusion, technology has undoubtedly had a significant impact on parent-child communication. While it offers numerous benefits, it is essential to strike a balance between technology-based communication and face-to-face interaction. By using technology responsibly, setting boundaries, and nurturing open communication channels, parents can leverage the benefits of technology to strengthen their relationships with their children. What are your thoughts on the impact of technology on parent-child communication?
